SNOW Train

STEAM TO THE SNOW OR VISIT WALHALLA, ERICA OR TRARALGON • SUNDAY 24TH JULY

Join us for our excursion to the snow – by steam train, of course. Forget the car for a relaxed day out with family and friends aboard the Vintage Train.

Settle back in your compartment and before long, Melbourne will be lost in a trail of steam and smoke as we journey into the fertile farming district of the Latrobe Valley.

The locomotive will work hard as we climb through the green Gippsland hills around Bunyip, Longwarry and Warragul before we make our first stop at Moe. Here passengers can choose from the following options...

MOUNT SAINT GWINEAR

Travel by comfortable coach through scenic mountain forest to the snow. Explore the alpine forests with their unique fauna and crisp mountain air as you wander through the snow. Toboggans can be hired from the mountain but please bring your own skis. It is advisable to pack lunch, snacks and drinks as there are no shops at the venue. Departure from the mountain is at 4pm, to return to the station for a 5.30pm departure from Moe.

LUNCH AND EXPLORE WALHALLA

For those preferring warmer surroundings, travel by comfortable coach through scenic mountain forests to the Walhalla Miner's Café or the Erica Hotel, both known for their warm, cosy and friendly atmosphere (please indicate your preference).

After lunch, there is time to explore the historic treasures of Walhalla. The famous 'Long Tunnel Extended' gold mine offers underground tours at 1pm and 2pm. Visit the many historic buildings and climb to the cricket ground carved high in the surrounding hills. The cemetery, full of history, has graves carved into the side of a mountain, all within walking distance of this unique mountain township.

The Walhalla Goldfields Railway will be running a return journey at 3pm. We have chartered this trip for our passengers from Walhalla station to Thompson Bridge and return, so please reserve your ticket on this booking form.

POWERWORKS TOUR

Take a tour into the heart of the brown coal fired power stations and coal mines. These tours offer a unique view into power generation in Victoria. To complement the tour, you can enjoy a two course lunch at the Moe Hotel before the PowerWorks tour commences.

RAIL ONLY

Travel through the mysterious Haunted Hills, Hearne's Oak and Morwell before arriving in Traralgon, where you will spend a leisurely afternoon. Enjoy a meal in a local hotel or café. Then relax back on the train as our locomotive begins its sprint westward on a course for home.

AIR CONDITIONING

If you wish for a little more travelling comfort, choose the air-conditioned seat option of cloth seating in an air conditioned (and heated) carriage.

ON TRAIN SERVICE

Our on-train facilities include kiosks, which stock a wide range of light refreshments, souvenirs and hot and cold drinks. A licensed bar will also be open serving a range of wine, beers and spirits. Our courteous train officers will be on hand throughout the journey to provide any assistance to ensure an enjoyable and safe day.
