STEP BACK IN TIME ABOARD STEAMRAIL'S NORTHERN WEEKENDER

STEAM TO SWAN HILL AND ECHUCA – FRIDAY 9TH TO MONDAY 12TH JUNE 2017

Steamrail invites you to experience the era of long-distance overnight steam-hauled trains as we travel to Swan Hill and Echuca, two of Victoria's most beautiful river destinations.

Departing Melbourne on Friday evening, you will enjoy the distinctive sounds of steam as you relax between crisp white sheets in your comfortable sleeping berth. During the night, we will climb the steady grades to Bendigo and sprint through the remote settlements of Dingee, Pyramid Hill, and Mitiamo. While you sleep, our steam locomotive will be watered and serviced at selected stops.

We will be making a stop at Kerang to enjoy the country hospitality of this town for a country cooked breakfast and market. After waking to the delightful sights and sounds of the Murray River, enjoy Saturday exploring historic Swan Hill at your own leisure. Alternatively, those who choose Option 1 will be taken by coach to the fascinating Pioneer Settlement Museum, which will include a one hour cruise on the PS Pyap with morning tea served on the boat, free time to explore the museum, with a vintage car ride or horse drawn ride. After a two course lunch in the Paragon cafe you will be transferred to the Catalina Boat Museum then returned back to Swan Hill at 4pm. There is also an opportunity to enjoy the action of the Swan Hill June Racing Carnival for those who choose Option 2.

A late night departure will see us retracing our steps to Bendigo, where the engines will be turned and serviced. Setting off in the still

of night, we will creep through Rochester and Elmore before arriving in Echuca early morning.

There is so much to see and do in Echuca. Explore the rich history of the region with its art, culture, food, wine, and picturesque landscapes; or inspect the Port of Echuca and cruise the Murray on the paddle steamer 'Emmylou' (see Option 4). Fans of steam locomotion may like to attend the famous Echuca steam rally, an annual event that has been running for many years (see Option 7). Monday morning we will say farewell to Echuca as we go back the way we came, but this time in daylight. Enjoy the shimmering beauty of the Campaspe River region, historic tunnels at Big Hill and Elphinstone, and the spectacular views afforded by the Taradale Viaduct and various stone bridges. Our journey will conclude late that evening as we alight at Southern Cross with many wonderful memories.

Please note: All linen is supplied in the sleeping carriages.

ON TRAIN SERVICE

Our on-train facilities include kiosks, which stock a wide range of light refreshments, sandwiches, souvenirs and hot and cold drinks. A licensed bar will also be open serving a range of wine, beers and spirits. Our courteous train officers will be on hand throughout the journey to provide any assistance to ensure an enjoyable and safe journey.
